HEADTEACHER'S MESSAGE BOARD

'Give back to Caesar what belongs to Caesar – and to God what belongs to God'. Matthew 22: 15-22

In those times that Jesus lived the people had to pay taxes to the Roman Emperor, Caesar, for the improvements in the roads, the building and upkeep of the towns and while they didn't like paying the taxes – businesses flourished and the standard of living improved. In this weekend's Gospel reading the leaders of the temple try to trick Jesus into speaking against paying these taxes.

God isn't interested in money, because to Him money isn't what makes a person rich. What does make a person 'rich' is their honesty, goodness, understanding and love for God and one another. God pours His love into our lives and showers us with gifts. If we use those gifts and talents wisely and for the good of others, then we live lives that please God and, in that way, we can give back to God a little of the so much we have been given.

**Loving Father,
Help us to share what we have received through your love and generosity,
Without counting the cost of following you.
Grant this through Christ your Son.
Amen.**

Head Lice/Nits – Head lice and nits are very common in young children and their families. They do not have anything to do with dirty hair and are picked up by head-to-head contact. Treat head lice as soon as you spot them. You can treat head lice without seeing a GP. You should check everyone in the house and start treating anyone who has head lice on the same day. There's no need to keep your child off school if they have head lice. Lice and nits can be removed by wet combing. You can buy a special fine-toothed comb (detection comb) online or from pharmacies to remove head lice and nits. There may be instructions on the pack, but usually you:

wash hair with ordinary shampoo, apply lots of conditioner (any conditioner will do) comb the whole head of hair, from the roots to the ends, It usually takes about 10 minutes to comb short hair, and 20 to 30 minutes for long, frizzy or curly hair. Do wet combing on days 1, 5, 9 and 13 to catch any newly hatched head lice. Check again that everyone's hair is free of lice on day 17. If wet combing has not worked or is not suitable, you could try a medicated lotion or spray. These kill head lice in all types of hair, and you can buy them from pharmacies, supermarkets or online.

NOVEMBER MONTH OF REMEMBRANCE

Poppy Appeal

Poppies will be available in school after the October break. All donations will go to the charity, The British Legion, which provides lifelong support to serving and ex-serving military personnel and their families. On 11th November we remember those who lost their lives serving in the armed services in all conflicts; from the beginning of the First World War up to the present day. We give thanks for the freedom and peace we enjoy today and pray for those still suffering in war-torn countries.

School Immunisation Team

Weather

Please send your child/children prepared for our ever-changing weather conditions. Children must have a coat, preferably with a hood, every day, and suitable outdoor shoes. All children must bring a water bottle to school, this will help keep them hydrated during the day.

Please clearly mark your child(ren)'s uniform/P.E.kit with their name, this will help to eliminate lost items.

Keeping Children Safe

Contact details for parents/carers.

Please make sure that if you change your phone number you inform school staff. Following safeguarding recommendations, we need at least 2 accurate contact details in the event of an emergency; accidents do happen and there are times when we are not able to contact a parent because they have not kept us informed. Thank you.

Attendance and punctuality are a huge part of keeping children safe and it is the law for schools to know why and where children are if they are not in school: schools must report children absent from school, including parts of the day, not just absent days. As a result, systems for attendance are robust and all parents have a responsibility to inform school of their child's absence – make sure you TELEPHONE Mrs Gadd 1st thing in the morning if your child is absent. [Home visits are part of our Attendance procedures to check and do not be alarmed if safeguarding staff appear at your door.](#) As a parent you are committing an offence if you fail to make sure that your child attends regularly. The details of parents with children who have unauthorised absence (including those who have taken unauthorised leave during term time) will be passed to Bradford Council, who could consider issuing a Penalty Notice or starting legal action. When a child meets Educational Neglect threshold then a referral to Children's Social Care can be made.

Arriving on time is an essential life skill and for safeguarding reasons we must lock the school gates at 8:55am – if you are arriving at that time you will have to go to the main entrance. Equally, as a school we respect parents need children to be ready for home-time at 3:15pm to collect family members from other schools or colleges; we aim to be

ready to hand the children to you at that time at the end of the day and not delay you.

| Did you know.... | | |

Late pick-up charges

There is a late collection charge £1, per child, for every 5 mins you are late; sadly, some parents have been persistently late and without good reason; taking the view that it is okay for school staff to take responsibility for children after the school day. Unfortunately, we do not offer childcare after 3:15pm and many staff finish at the same time the pupils leave. Congested traffic, a late taxi, forgetting the time, having a hair colour on at the hairdressers are not acceptable reasons to be late for your child. We are understanding, if there are exceptional reasons and it is not usual for you to be late and we appreciate a phone call from you if you are going to be late, it re-assures the child as well. After school teaching staff have meetings, work to do following the school day and in preparation for the next day. Thank you for your support with this.
