HEADTEACHER'S MESSAGE BOARD

The Season of Advent

During the fourth week of Advent we focus on Mary's open heart as she prepares to receive the gift of Emmanuel, 'God is with us'. The fourth candle represents love and the presence of the Saviour. God sent Jesus into the world because of his great love for us! 'For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him' (Jn 3:16-17). If you want to know how to love, look at the love that sent Jesus to earth to live a life of love and pay the price for all our sins. It is all about love. This is a love that says, 'I am willing to love you no matter what'. As we approach the end of Advent let us try to love others the same way Jesus Christ loves you.

The central white candle, 'Christ Candle' is lit to mark the arrival of Christmastide, on Christmas day and represents the life of Christ.

Let us all pray: Lord, help us not to dampen the joy of others. Remind us this week to rejoice always and to pray for those in need of our shining light of trust and love. Amen.

Thank you! This has been another very successful term and I wanted to express my thanks to all of you for your continued support to bring your child to school, when we have had lots of seasonal infections to fight off! I cannot thank the staff enough for all they do to help our pupils develop and learn – we are so lucky to have such talented and dedicated staff. I know you appreciate all that they do. I wish all the staff, the children and parents a very blessed Christmas with your families and for those families not celebrating this holy time, I hope you also have a special time with those you love the most. Have a wonderful holiday and I look forward to welcoming the children back on Thursday, 4 January 2024.

Weather

Please send your child/children prepared for our ever-changing weather conditions. Children must have a coat, preferably with a hood, every day, and suitable outdoor shoes. All children must bring a water bottle to school, this will help keep them hydrated during the day.

Please clearly mark your child(ren)'s uniform/P.E.kit with their name, this will help to eliminate lost items.

Keeping Children Safe

Contact details for parents/carers.

Please make sure that if you change your phone number you inform school staff. Following safeguarding recommendations, we need at least 2 accurate contact details in the event of an emergency; accidents do happen and there are times when we are not able to contact a parent because they have not kept us informed. Thank you.

Attendance and punctuality are a huge part of keeping children safe and it is the law for schools to know why and where children are if they are not in school:

schools must report children absent from school, including parts of the day, not just absent days. As a result, systems for attendance are robust and all parents have a responsibility to inform school of their child's absence – make sure you TELEPHONE Mrs Gadd 1st thing in the morning if your child is absent. Home visits are part of our Attendance procedures to check and do not be alarmed if safeguarding staff appear at your door. As a parent you are committing an offence if you fail to make sure that your child attends regularly. The details of parents with children who have unauthorised absence (including those who have taken unauthorised leave during term time) will be passed to Bradford Council, who could consider issuing a Penalty Notice or starting legal action. When a child meets Educational Neglect threshold then a referral to Children's Social Care can be made.

Arriving on time is an essential life skill and for safeguarding reasons we must lock the school gates at 8:55am – if you are arriving at that time you will have to go to the main entrance. Equally, as a school we respect parents need children to be ready for home-time at 3:15pm to collect family members from other schools or colleges; we aim to be

ready to hand the children to you at that time at the end of the day and not delay you.

Did you know....		
If in a school year, a child is late every day by...	A child would have lost approximately...	or they would have missed approximately...
5 Minutes	3.5 Days from School	20 Lessons
10 Minutes	7 Days from School	41 Lessons
15 Minutes	10 Days from School	55 Lessons
20 Minutes	14.5 Days from School	82 Lessons
30 Minutes	22 Days from School	123 Lessons

Late pick-up charges

There is a late collection charge **£1, per child, for every 5 mins you are late**; sadly, some parents have been persistently late and without good reason; taking the view that it is okay for school staff to take responsibility for children after the school day. Unfortunately, we do not offer childcare after 3:15pm and many staff finish at the same time the pupils leave. Congested traffic, a late taxi, forgetting the time, having a hair colour on at the hairdressers are not acceptable reasons to be late for your child. We are understanding, if there are exceptional reasons and it is not usual for you to be late and we appreciate a phone call from you if you are going to be late, it re-assures the child as well. After school teaching staff have meetings, work to do following the school day and in preparation for the next day. Thank you for your support with this.
